

The Society of Bluffton Artists presents “Foreign Affairs – Around the World in Art” by Virginia MacKenzie, a truly versatile and creative artist. The show will be on exhibit from October 6 through November 1 at the SOBA Gallery. As the name implies, all the works of art are depictions, along with stories, of some of the international destinations Virginia has visited. When you view this fascinating show, you will be transported from the Eiffel Tower to the Great Wall of China; from Machu Picchu, Vietnam, and the Amber Room in Catherine’s Palace to the Leaning Tower of Pisa; and many more. The paintings are in every art medium from acrylic to oil to watercolor to wax, even showcasing Virginia’s special talent with fiber art. She has personally seen all of these places in her travels to over eighty countries.

Virginia was born and raised in Orlando, Florida. She is a graduate of Trinity
