Art League of Hilton Head invites artists to enter the *2021 Biennale*, its 27th National Juried Exhibition, held every other year across multiple media types including; Oil or Acrylic, Pastel, Watermedia, Photography, Mixed Media, Three-Dimensional, or All Other. Over \$5000 in cash prizes will be awarded. All works of art selected by jurors will be on display at Art League Gallery.

This gallery provides the finest exhibit space with high tourist and community visibility. The deadline for applications is March 19, 2021. For more information and to enter, go to https://artist.callforentry.org/festivals_unique_info.php?ID=7545

The *27th Biennale* judge is Marc Hanson, a nationally known, award-winning landscape artist currently based on Tybee Island, near Savannah, Georgia. He is a Master Signature Member of the Oil Painters of America (O.P.A.M.) having won awards of excellence over numerous years at the OPA National Exhibit, including a Bronze Medal for Painting Excellence in 2011. He has also placed four times in The Pastel Journal's 'Pastel 100' competition,

to be a part of the art world, you need to be a part of the art world. The art world is a place where artists can showcase their work and connect with other artists and collectors. It is a place where artists can find inspiration and support. The art world is a place where artists can make a living and make a difference. The art world is a place where artists can be part of something big.
