

Local theatre company Coastal Stage Productions, one of this area's top producers of quality short-run theatre projects, returns to The Shed in Port Royal with the heart warming and hilarious play, *The Dixie Swim Club*, a Southern comedy about friendships that last forever.

The story shares the lives of five unique women whose friendship began many years ago on their college swim team. Every August since graduation, they rekindle their relationships in a cottage on North Carolina's Outer Banks. The play looks in on four of those weekends over a period of thirty-three years as the women catch up, laugh and meddle in each other's lives. The interaction between these five women is often hilarious and touching.

"One of the most appealing aspects of this play is that the audience will personally relate to most of these real life situations," said director Margy Oehlert. "That makes it the perfect show for ladies groups and couples. In fact, we're anticipating sell-out crowds."

The beautiful cast of local talent includes; Rebecca Bass, Donna Capps, Toye Hickman, Kelley Gray and Mimi Molina. Each of these actors portrays a delightful and lovable southern character.

The Dixie Swim Club, presented by Coastal Stage Productions, opens October 20 & 21 at 8pm and Sunday, October, 22 at 2pm. A catered Dinner Theatre option is available on Saturday, October 21 at 6pm. - The Shed Event Venue, 809 Paris Avenue, Port Royal.
