The abduction is a ruthless attempt to avenge a Hamas terrorist's imprisonment in Israel. No one would have expected such a thing to happen in Beaufort, which makes the small town such an ideal target for a surprise terrorist attack. Soon, the lives of two families are devastated by a horrific week of torture inflicted by the American-based terrorist who orchestrates the crimes.

Two Islands: Terror in the Lowcountry presents a rare picture of radical Islamic terrorism taking place in a small, residential southern community. Soon, the FBI and Department of Homeland Security are pulled into the plot. But will they be too late to save the Lee family? Or will Jacob Lee find a way to fight the war on terror in his own backyard and send the terrorists back to where they came from?

Two Islands: Terror in the Lowcountry, is Allan Winneker's third novel.

A native of Philadelphia, Winneker was educated at Drexel University, and enjoyed a 38-year career in marketing management before retiring from corporate life and starting a consulting business in 1999. He and his wife, Betty, now reside on Callawassie Island, near Hilton Head, South Carolina. They have two married sons, a granddaughter and two grandsons.
