Retreat packages also include a field trip to the Pat Conroy Literary Center's second annual March Forth on March Fourth at historic Penn Center, featuring National Book Award-winning poet Nikky Finney, two-time Lillian Smith Book Award-winning novelist Anthony Grooms, master naturalist and memoirist J. Drew Lanham, poet and educator Tim Conroy, and best-selling novelist Cassandra King Conroy.

Launched in the fall of 2017 on Hilton Head Island, Beach Shack Writers LLC, a writers retreat and literary resource, is a dream come true for long time Island resident and writer Cindy Whitman. "I am so excited about this partnership with the Pat Conroy Literary Center and the wealth of literary opportunity it brings to the people of Hilton Head Island, Bluffton, and beyond," Whitman said. "The Conroy Center is young too, only in its second year of operation as a nonprofit organization, but it has already accomplished so much. It's now recognized as South Carolina's first affiliate of the American Writers Museum and as an American Library Association Literary Landmark. We plan to grow together, bringing great literary events, writers and teachers, and programs to Hilton Head Island and the Lowcountry."
